## ONE YEAR LIMITED WARRANTY

Your Nke watch is warranted to be free of defects in materials or workmanship under normal use for a period of one year from the date of original retail purchase. This limited warranty excludes the battery, crystal, strap, or damage resulting from improper care or handling, accidents, modification, unauthorized repairs, or normal wear.

Return the defective watch and the store receipt to the place of purchase. If there is covered defect, the defective parts or watch will be repaired or replaced at Nke's option, with the same product (if available) or a similar product of equal price. This limited warranty is in lieu of all other express or implied warranties, and excludes return of the purchase price. In no event shall Nke be liable for direct, indirect, incidental or consequential damages arising out of the use of the watch, and any recovery is limited to the purchase price. No other person or company is authorized to change the warranty, and your dealer is solely responsible for any other warranties.

Your Nke watch is a precision sport timepiece, sealed at the factory for water-resistance. In order to maintain your watch's warranty, functionality and water-resistance, all service, including battery replacement must be performed at an authorized service center. If your Nke watch has a translucent colored strap, the strap's color and translucence may fade over time due to exposure to UV radiation. Your skin's pH factor, sweat and strong dyes in clothing, any such discoloration and fading is normal and not covered by the warranty.
